

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

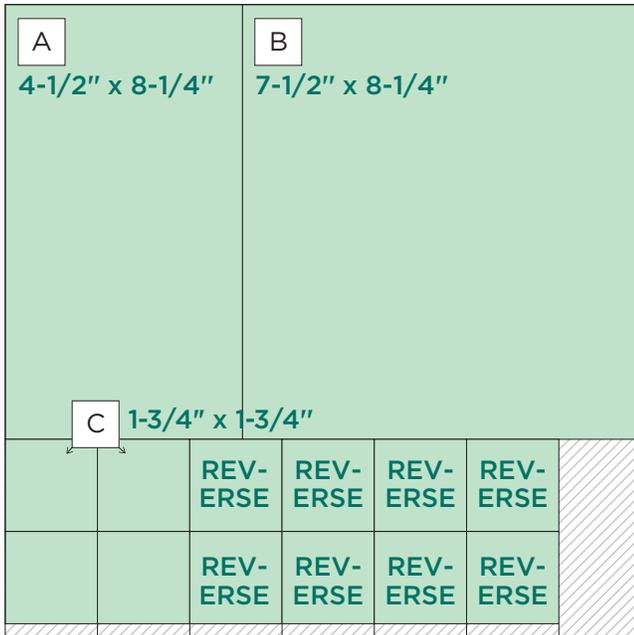

- Use two sheets of Baby Blue Cardstock for your base.
- Use the Shutter Love Chain BMC with the Original Border Maker System to punch four border strips from the Black Cardstock. Measure the remaining cardstock and use the 12-inch Trimmer to cut it into four equal strips. Strips can vary from 1-15/16" x 12" to 2" x 12" depending on how evenly the border strips were punched.
- Using the 12-inch Trimmer, finish following Cutting Guides 1 and 2 with designer paper. *Note: The Square Punch can be used to quickly punch the 24 1-3/4" squares (pieces C and F).*
- Use the Tape Runner to adhere pieces A and B to the inside edges of the base pages. Arrange and adhere pieces K, L, M and N along the top and bottom edges of the base pages,

overlapping pieces A and B. Adhere pieces D and E to the layout as shown.

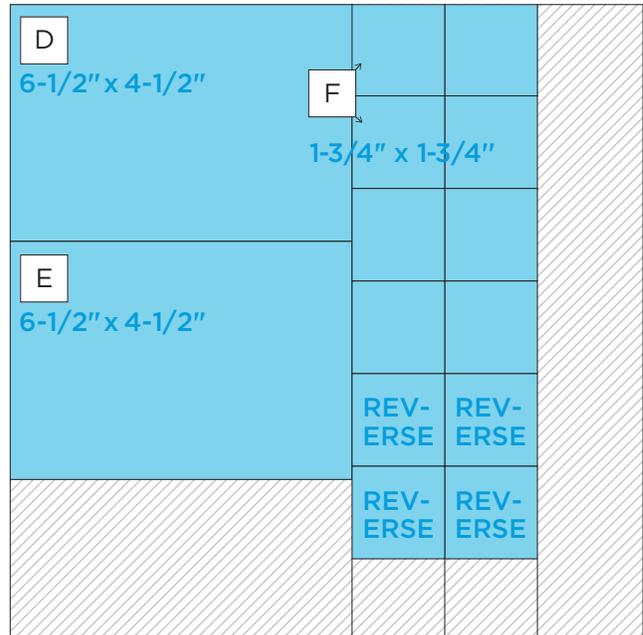

- Place six squares (three each of pieces C and F) on top of pieces K, L, M and N, arranging them evenly and alternating the paper patterns. Adhere with the Tape Runner. Align and adhere punched border strips G, H, I and J on top of the squares. Use the Repositionable Tape Runner to adhere them directly on top of the squares or cut several small Foam Squares in half and apply them to the back side of each punched border for added dimension.
- Crop and adhere photos as shown. Journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
